Mine eyes have seen the story of the coming of the Trump. With a slew of lies he mobilized the moron and the chump. The country drank the Kool-aid down and landed on its rump, But we are marching on. *Glory, glory hallelujah...* He's the cherry on the sundae of the racist and the rich, So afraid to pay their taxes, they will scratch a fascist itch. They believe he's Mussolini, but he's only Putin's bitch! These are a few of our favorite things The right to gather and the 1st Amendment, Choices I'd rather and thoughts independent, Getting a lawyer when I'm in a fight: These are a few of my favorite rights. When the laws bend, when the feds cheat & I'm feeling mad, I simply remember the Constitution & then I don't feel so bad.

Marching around when I'm angry with Congress, Shouting them down to make them keep their promise, Going to school, feeling safe day & night: These are a few of my favorite rights. When the news sucks, when the jerks win & I'm feeling mad, I simply remember the Constitution & then I don't feel so bad.

Flynn and McFarland and Corsi and Cohen. Manafort, Gates—and we're just getting goin'! Pappawhatever & Sater & Stone: Jared & Junior weren't acting alone! Egorov, Kislyak, and Miss Butina. Somebody Dutch I think came in betweena— Julian sending out key Wikileaks! Devin and dozens of GOP freaks! Is your tongue tied? Does your head spin? Are you feeling mad? Don't have to remember quite all of their names in Donny's big deal for Vlad!

5. MAR-A-LAGO! ('Oklahoma!'; Leydorf)

Mar—a-Lago! Where the lies are thicker than the steak! And the weekend set will not say nyet, if there's any law you want to break! Mar—a-Lago! It's the wet dream of the GOP: All the racist rats and kleptocrats dip a toe into the rising sea! But Putin is no nouveau riche, & he's got dopey Don on a leash! So when we say: WHOA! What did he do today? NO! We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago! Marala—GO!

6. OVER THE RAINBOW (*Judy; Leydorf*)

Somewhere over the rainbow, love trumps hate.
Black lives matter to all, and Muslims can immigrate.
Somewhere over the rainbow, we rejoice—
Women get equal pay and make their own goddamn choice!
Somewhere there is no Cheeto Czar
 and all the fascist fucks are far behind me!
There's health care when you have an ache,
 and Christians have to bake gay cake with Hot! Pink! Icing!
Oh, somewhere over the rainbow, kids run free—
They're not locked up in prison, ripped from their families...
But facts are not alternative: Let's bring the rainbow here and fight to live

7. TEN TO LIFE (*Dolly Parton; Leydorf*)

Tumbles outta bed and he stumbles onto Twitter,
Spits out sumpin' stupid and bitter—
Sprays his tan and brings his wig to life.
Finds him a camera and the lies start flyin'
Can't keep track of the facts he is fryin'—
Yeah, we're fed up with the con of fo-rty-five.
Give him 10 to life—for his slimin' and his sleazin'!
Punish...every lie—all the takin' and the treason!
Ask his trophy wife, she's been psycho since she met him—
He will surely drive us...crazy if we let him!
10 to life for dirty dereliction. Ask the FBI what he sold for his election!
Well, he's goin' down... for criminal collusion—
Get in gear now, Congress, let's defend the Constitution!

American dream is torn and tattered, 1 percent gets fatter and fatter,
But we've got dreams he'll never take away!
Like justice for all and a planet in peace! No border wall, no racist police!
Yeah the tide's gonna turn, he will learn Impeachment Day!
Give him 10 to life—second-rate D-list dictator!
Same for every swine—every cruel collaborator—
Tell the GOP, history will not look kindly—
Were they dumb or evil?...followin' him blindly?
10 to life—for obvious obstruction,
Cuz he's Putin's guy—made a deal for our destruction!
Want to...move ahead, from the climate change denial
Impeach the fool and put his...ass on trial!

10 to life—for his slimin' and his sleazin'!
Punish...every lie—all the takin' and the treason!
Ask his trophy wife, she's been psycho since she met him—
He will surely drive us...crazy if we let him!
10 to life for dirty dereliction. Ask the FBI what he sold for his election!
Well, he's goin' down... for criminal collusion—
Get in gear now, Congress, let's defend the Constitution!

8. NO WALL CHANT (*Pink Floyd; Leydorf*)

We don't need no racist nation. We don't need no ICE patrols.
You're the only infestation. Trumpie! leave them kids alone!
Hey, Trumpie! leave them kids alone!
All in all, you're just a...nother prick with no wall.

9. THE TRUMP ADMIN (*Addams Family; Steinberg/Leydorf*)

CHORUS **Dadadadum Dump Trump!**
Dadadadum Dump Trump!
Dadadadum, dadadadum,
dadadadum, Dump Trump!
The Trump Administration,
 just might destroy the nation,
They prize the corporation,
 despise the common man.
The trouble is they're traitors, and double-plus dictators,
They huddle up with haters, and kuddle with the clan. **CHORUS**

Below the Mason-Dixon, they love their naughty Nixon,
They find the fool transfixin' — they swallow every lie.
The coal they're keen on mining, the kids they are confining,
If wages keep declining, don't blame the MAGA guy. **CHORUS**

You know we'd better wake up, ensure there is a shake-up,
The time is short to make up, we have to vote them out! Dump Trump!

10. WE ARE FAMILY (*Sisters Sledge; Leydorf*)

CHORUS **We are family: I got all my sisters with me.**
We are family: Get up everybody and sing!
We are family: Men and women, LGBT.
We are family: Everybody does their own thing!
Everyone...controls... her o-own body...gets to live her li-i-ife...
HEY! And we don't...care if you...think we're naughty... I won't tell no lie
ALL! All of the people...you must separate: That old church and state?
You better re-read your Bible: We're giving love while you're
 preaching ha-a-a-ate! **CHORUS**
We are family! (Clap-clap) We are family! (Clap-clap) We are family!

11. COAL'S OVER... (*Miller/Leydorf*)

Coal's over, go solar. Coal's over go solar.
 Coal's over, go solar—
Yes, we can stop climate change!

12. TOO DARN HOT (*Cole Porter; Leydorf*)

It's too darn hot. Too darn hot. The lion's lair—is deserted tonight.
Poor polar bear—not an iceberg in sight.
Not anywhere for a bird to alight!
 The coral's bare, yeah we turned it all white.
We had a prayer, but we weren't very bright! Now it's too darn hot.
Too darn hot. It's too darn hot. The Celsius...climbin' higher tonight.
And NASA says: Things are dire, all right.
Los Angeles is on fire tonight! Miami is sinking right out of sight!
It's such a mess—Join our choir and fight! Cause it's too darn hot!
 The Cheeto says it's only a hoax—but the seas are risin' high.
He's diggin' coal, it's such a bad joke—guess the end of times is nigh.
But we keep burnin' that fossil fuel, 'cause the profits are just too steep.
We can't quit—though the shit—is deep.
Yes it's too darn hot! Too darn hot! It's tooo daaarn hot! x2

13. END OF THE WORLD (*Carpenters; Leydorf*)

We're not sweating this catastrophe.
 What's the difference, it's just 2 or 3 degrees?
Nothing flies in the sky, as the birds and bees all die,
 We are sleeping as we slip beneath the seas.
Anything you want comes to your door.
 You can fly around the world unless you're poor.
There's a sweet SUV for your growing family,
 and the nightly news that you can all ignore.
We're at the end of the world, cooking all of creation—
There's a mass extermination? We don't mind!
It's so stupid and cruel, but we love that fossil fuel—
Just keep dancing, it's the end of the world!

Somethin' in the breeze carries disease;
 down in Borneo they're burning all the trees;
And the fish are all sick, cuz the plastic's so thick—
 you remember how the North Pole used to freeze?
So we shop ourselves into a hell.
 Throw our children's future in the fire sale.
It's a sick fantasy, but it beats reality—
 just keep dancing, it's the end of the world.
We're at the end of the world, cooking all of creation—
There's a mass extermination? We don't mind!
It's so stupid and cruel, but we love that fossil fuel—
Just keep dancing, it's the end of the world!
 We're at the end of the world, burning down all creation—
And the only explanation I can find,
We'll keep feeding our greed, while we watch the planet bleed—
Just keep dancing, it's the end of the world!

14. IMPEACH THE ... NOW (*'Say a Little Prayer'; Tjhung*)

America, wake up, don't let the whole country break up—
 Impeach the motherfucker now
Attacks on the queer folk? Take women back fifty years? Nope.
 Impeach the motherfucker now
CHORUS **Not ever, no never, we never will stop—**
you know we'll fight you.
Forever and ever, until you depart—we're so done with you.
Together, together—that's how we will build a world without you
We'll keep on resisting, you'll see...

Each day is more awful—each action he takes unlawful...
 Impeach the motherfucker now

Oh, Nancy believe me... (Believe me!)
Right now there is no o-one but you—you know it's true.
You know what to do (Answer my prayer)
Answer our prayers now, Nancy (Answer my prayer)
Impeach the fucker now (Answer my prayer)
 Impeach the man right now Nancy!
Oh-oh-oh-oh-oh-oh! **CHORUS**

15. A.O.C. (*'A.B.C.'; Leydorf*)

AOC—takin' down DJT. Stand up to the GOP!
AOC—dancin' free, baby, you and me, girl! x2

16. BARACK OBAMA (*'Mamma Mia!'; Stein/Leydorf*)

We've been screwed by this schmuck since they voted him in.
Things have gotten so bad, don't know where they will end.
Look at us now, what a total mess! Can't believe how...
 The GOP runs the government. Catering to the one percent!
Lies and cheats—and that is only the start.
Tweet by tweet he'll tear the country apart. Whoa-o-o-oa!
Barack Obama, why'd you have to go?
 Why, why? God, how much we miss you
Barack Obama, now we need to know:
 Why, why? Can't we have a re-do?
Yeah, we've been brokenhearted. Sick, since the day he started.
 Why, why did we ever let you go?
Barack Obama, now we really know:
 How low Donny & his crew will go.

We've been heading downhill since two-thousand sixteen.
Wisdom, kindness, and strength are nowhere to be seen.
Ruling from bed, burgers by his side, filling his head,
Full of nonsense from Fox TV, lies he takes from Sean Hannity.
Sick, sick, sick—the narcissistic disease.
What a prick. He's got us down on our knees. Whoa-o-o-oa!
Barack Obama, why'd you have to go?
 Why, why? God, how much we miss you
Barack Obama, now we need to know:
 Why, why? Can't we have a re-do?
Yeah, we've been brokenhearted. Sick, since the day he started.
 Why, why did we ever let you go?
Barack Obama, we are desperate now. Why why? Can't we do it ovuh?
Barack Obama, hear our pleading vow:
 Come back, maybe run with Oprah?
Yeah, we've been brokenhearted. Sick, since the asshole started—
 Why, why did we ever let you go?
Barack Obama, now we really know:
 How low Donny & his crew will go!

Obstruction of justice is reason enough, yeah trust us:
 Impeach the motherfucker now. **CHORUS**
