

### 15. KAMA-KAMA-KAMA (Karma Chameleon; Leydorf)

He keeps golfing while we die, Dirty Don.  
Tweets some crazy, lazy lie from QAnon.  
But you know he's getting nervous, turning on his psycho show.  
Shutting down the postal service? He's gotta go, he's gotta go.  
**CHORUS** *Kama-Kama-Kama-Kama, Kamala, Kamala...!  
And Uncle Joe...! And Uncle Jo-o-o-oe!  
2020's crazy, but there's something that you can do:  
Get out, vote blue! Get out, vote blue!*

We can guarantee health care and human rights.  
Billionaires who don't play fair—prepare to fight.  
Gun control. Good education.  
Then we'll make a Green New Deal.  
Get to work, rebuild the nation—  
Science is real. Science is real. **CHORUS**  
History keeps on repeating (repeating)  
Some new dick who needs defeating...  
The GOP, they will keep cheating (and cheating)  
Do your worst—we're not retreating! **KAZOO**  
Dirty Don is getting nervous— Turning on his psycho show.  
Shutting down the postal service?  
He's gotta go, he's gotta go. **CHORUS x3**

### 16. BELIEVE (Cher; Leydorf)

No matter how loud you cry: keep on pushing some new lie.  
But the country's thru: We are finished with you.  
From your Kre-e-emlin collusion—to your Co-o-ovid confusion  
You'll relegate the GOP...to a sorry page in history, oh!  
**CHORUS** *Do you believe in life after Trump!  
Can you feel it, too, election day?  
We're gonna take down the traitor chump, yo!  
Do you believe in life after Trump!  
Gonna chase the fascist fools away—  
Democracy needs its stomach pumped, yo!*

We can pass a Green New Deal. Universal health, for real!  
We can do all that—no there's no turning back.  
We need ju-u-ustice for black folks.  
And new ju-u-udges who aren't jokes.  
We're fightin' for democracy. Let's take a page from RBG!  
**CHORUS**  
All you thieves and racist haters, You're the suckers, now move  
along! We don't need you anymore.  
We don't need you anymore. We don't need you anymore.  
No, we don't need you anymore! **CHORUS x2**

### 17. WE WILL SURVIVE (G. Gaynor; Leydorf)

At first we were afraid, we were petrified,  
by the sight of all those nasty Nazis by your side.  
But character is destiny and you're a psychopathic ape:  
You can't escape—It's coming soon, the pee-pee tape!  
With every week...you spring a leak—  
Your cagey AG, Billy Barr, thinks you're the Czar,  
the fuckin' freak.  
Well if Mueller couldn't do it, this November seals your fate:  
Yer gonna wish yer name was Nixon,  
you will pray for Watergate!

**CHORUS** *Go on now, go, you Russian whore!  
Just turn around now, cuz you're not welcome anymore.  
Aren't you the fool who said Corona was a lie?  
Did you catch covfefe?  
Yeah karma's cold, but we won't cry—  
Oh no, gurl, bye! We will survive—  
Oh, as long as we are stuck with you,  
the fight will stay alive.  
And thru every turn and twist,  
we'll have the courage to resist.  
We'll survive! We will survive! Hey, hey! **DANCE***

You get all the cash you need from the NRA,  
and billionaires who pay to make their taxes go away.  
Well, in your super-spreader garden  
they all swallow chloroquine—it's just obscene—  
Guess there's no stupid quarantine!  
Since you're a jerk...who's gone berserk—  
It's up to us to get it done, we've just begun to do the work.  
We'll survive coronavirus, then we'll turn to climate change:  
Gonna leave you crooks behind us,  
there's a world to rearrange! **CHORUS**

# WEEZERS AT THE WOMEN'S MARCH

### 1. GOD, HELP AMERICA (Leydorf)

**God, help America—what have you done?** Stand beside us  
and guide us thru the mess and distress you've begun.  
With your bigots & your gun nuts, every greedy billionaire!  
God, help America through this nightmare.  
**Come on, America, stand up to hate.** Don't divide us, unite us:  
You can't break us to make us more great  
Tell the bigots and the gun nuts, every greedy billionaire!  
Let's make America more free & fair!  
God, help America...thru this nightmare.

### 2. AMERICA THE PITIFUL (Leydorf)

**So pitiful, the NRA:** A cult of guns and greed.  
And Congress only blocks the way & watches while we bleed.  
America! America! One hundred die each day,  
In suicide and homicide, and all we do is pray.  
**So pitiful, the boys in blue:** They might as well wear sheets.  
Ask Michael, Freddie, George Floyd, too.  
All murdered in the streets!  
America! America! Your liberty's a lie.  
Four centuries of this disease—how many have to die?  
**So pitiful, the toxic Trump:** You lie with every word.  
You Russian tool, you stupid chump. Your cabinet is absurd!  
America! America! It's just a TV show—  
It's comedy and tragedy. How could we stoop so low?

### 3. OVER THE RAINBOW (Judy; Leydorf)

Somewhere over the rainbow, love trumps hate.  
Black lives matter to all, & Muslims can immigrate.  
Somewhere over the rainbow, we rejoice. Women get  
equal pay and make their own goddamn choice!  
Somewhere there is no Cheeto Czar  
and all the fascist fools are far behind me!  
There's health care when you have an ache, and Christians  
have to bake. Gay. Cake. With Hot! Pink! Icing!  
Somewhere over the rainbow, kids run free—  
they're not locked up in prison, ripped from their family...  
But facts are not alternative.  
Let's bring the rainbow here & fight... to live.

### 4. BATTLE HIM (Leydorf)

Mine eyes have seen the story of the coming of the Trump.  
With a slew of lies he mobilized the moron and the chump.  
The country drank the Kool-aid down and landed on its rump,  
But we are marching on. **Glory, glory...**  
He's the cherry on the sundae of the racist & the rich,  
So afraid to pay their taxes, they will scratch a fascist itch.  
They believe he's Mussolini, but he's only Putin's bitch!  
Now we are marching on. **Glory, glory...**  
For his thievery in Kyiv the House impeached the lying lout.  
So he hatched a plan to bomb Iran and wag the dog about.  
The Senate passed—so it's our task to throw the scoundrel out!  
Till then, we're marching on! **Glory, glory...**  
Now disease has struck & we are stuck with Nero on the throne  
He violins as Covid wins—guess we are on our own.  
Our new routine, to quarantine, resisting on the phone!  
Reach out and march right on! **Glory, glory...**

### 5. AMAZING DISGRACE (Leydorf)

**Amazing disgrace, how sick the sight:** Such hateful lunacy.  
America must stand and fight to save democracy.  
**Disgraceful, how you wink and con,** disgraceful, how you lie!  
But justice always marches on: The truth can never die.  
**They're throwing children into jail—**disgraceful, inhumane.  
Poor Lady Liberty is pale: She bows her head in shame.  
**Corona came, the markets fell,** and still you called it fake—  
A million dead might lift the veil—Good, God? What will it take?  
**From Rodney King to Michael Brown—**Breonna, Sandra Bland.  
When they were holding George Floyd down:  
They did not see a man.  
**Amazing disgrace,** it won't be long: Our independence day.  
When we will right our every wrong  
and scrub the stench away.

### 6. RESIST & SHOUT ('Beatles'; Tjhung)

**CHORUS** *Shake it up baby, now! (Shake it up baby!)  
Resist & shout! (Resist & shout!)  
Come on, come on, come on, come on, baby, now!  
(Come on, baby!)  
We're gonna vote 'em all out! (Vote 'em all out!)  
We'll vote 'em all out, honey! (Vote 'em all out!)  
We'll make it understood! (Understood!)  
We got the GOP going now! (Got them goin'!)  
They're gonna get what they should! (Get what they should!)  
**CHORUS** **DANCE BREAK**  
Aah! Aah! Aah! Aah! WOW!!! **CHORUS***

## 7. GOODBYE, DONNY ('Hello Dolly'; Leydorf)

**Well, goodbye, Donny.** No more lies, Donny.  
We can't wait to send you back where you belong!  
You're counterfeit, Donny. Full of shit, Donny.  
Need more curses for these verses—you are worse than wrong.  
The GOP senate & the creeps in it:  
    Nauseating, calculating every crime.  
Well...pack it in, Mitchie. Cue up the violin, Mitchie.  
Follow your MAGA Man into the slime.

**Well so long, Donny.** You were wrong, Donny.  
We were great before your hatred came to town.  
And Cheerio, Putin, time to go, Putin—  
Though your kompromot was on the spot—he's going down.  
Yes, go to hell, Donny. Rot in jail, Donny.  
For your treason or your sleazin'—take your pick!  
You're such a schmuck, Donny. Your ass is outta luck, Donny.  
Donny the Con, you're worse than Tricky Dick.

**BIG FINISH! Golly gee, Donny!** This is democracy, Donny!  
Donny we'll never go away! Promise you Don,  
    we're here to stay!  
Donny the Con, You're gonna pay, you prick.

## 8. MAR-A-LAGO! ('Oklahoma!'; Leydorf/Herzog)

**Mar—a-Lago!** Where the lies are thicker than the steak!  
And the weekend set will not say nyet,  
    if there's any law you want to break!  
Mar—a-Lago! It's the wet dream of the GOP:  
All the racist rats and kleptocrats dip a toe into the rising sea!  
But Putin is no nouveau riche, & he's got dopey Don on a leash!  
So when we say: WHOA! What did he do today?  
    NO! We're only sayin'  
Stay there for good: Mar-a-Lago! Mar-a-Lago! Oy vey!

**Mar—a-Lago!** It's a temple to vulgarity:  
Where the crooked class, can raise a glass to expanding inequality!  
Mar—a-Lago! Where the mobsters pay each other off!  
And they pass a stash of dirty cash,  
    while they play another round of golf!  
We know he belongs to old Vlad, cuz the cad is a tad like his dad!  
So when we say: WHOA! What did he do today? NO!  
We're only sayin' stay there for good:  
    Mar-a-Lago! Mar-a-Lago! Oy vey!

**Mara-Lago! Mara-Lago!** Marla Maples! Marla Maples!  
    Stormy Daniels! Omarosa!  
We know that you signed an NDA, but we want you to talk anyway!  
So when we say: WHOA! What did he do today? NO!  
We're only sayin' Stay there for good:  
    Mar-a-Lago! Mar-a-Lago! M A R A L A G O Marala—GO!

## 9. McCONNELL ('Cecilia,' Simon & Garfunkel; Stein/Leydorf)

**McConnell, keep spinnin' your crime.** We're sick of your  
    slime, now it's over!  
Mitch McConnell, we're done with your sleaze. We'll cure this  
    disease, you are thru.  
**McConnell, we're breakin' your grip.** We've takin' your trip,  
    now it's over.  
Mitch McConnell, run off with Elaine—You might try Ukraine!  
    You are through.... You are through.

Pack the courts & attack the law,  
    Mitch McConnell, what were you up to?  
Blocking bills! Now we know, old Moscow Mitch,  
    Servin' Don was a con—you were Vladimir's bitch.

**McConnell, keep spinnin' your crime.**  
    We're sick of your slime, now it's over!  
Mitch McConnell, we're done with your sleaze.  
    We'll cure this disease, you are thru.  
**McConnell, we're breakin' your grip.** We've takin' your trip,  
    now it's over.  
Mitch McConnell, run off with Elaine—You might try Ukraine!  
    You are through.... You are through.

Bu-bu-bye-bye-bye! Bu-bu-bye-bye-bye-bye-bye!  
Ruination! You played your last card.  
    You're goin' down hard, Merrick's laughing!  
Generations! In history class, will call you an ass & a traitor!  
Buh-bye-bye. Bu-bu-bye-bye-bye! Bu-bu-bye-bye-bye-bye-bye!

## 10. PUPPET KING (Leydorf/Stein)

**You can dance, you can ji-ive, tweeting out lie after lie...**  
**Oo-oo-oo, see that fool, so obscene.**  
**Poor little puppet king**  
You keep sayin' you are so tough... Fightin' words all the  
    fascists...love.  
Tariffs where there were treaties, stirrin' up the hate,  
    will never make us great.  
Anybody can see the truth... You're a traitor, we got the...proof.  
Went to hell in Helsinki—such a sorry show.  
You made it really clear... You obey Vladimir...

**CHORUS You are the puppet king:**  
**Dan-gle-ing from your Russian strings!**  
**Puppet king: The KGB owns the GOP! Oh, yeah!**  
**You can dance, you can ji-ive, tweeting out lie after lie...**  
**Oo-oo-oo, see that fool, so obscene.**  
**Poor little puppet king!**

Was it blackmail or bribery? Dirty money or maybe...pee?  
Long as you go to prison—we don't really care.  
Justice is getting near... Go cry to Vladimir... **CHORUS**

## 11. FAITH (Tjhung/Leydorf)

Well I think it would be nice, if we could break your lobby,  
Cuz no, not every lobby knows how to lobby like you-u-u.  
No! And you never think twice,  
    before you take our dreams away.  
Well, we say FUCK the N.R.A. and all the cash you blew!  
Oh yeah, you bought up Congress for 20 million,  
    and then the White House—30 million more!  
Well you can spend your heart out—a billion zillion!  
You can eat your Russian money,  
    we are showing you the door!  
**CHORUS Cuz we gotta have faith. We gotta have fai-ath.**  
**Oh yeah—we gotta have faith-a faith-a faith.**  
**We gotta have faith-a faith-a faith-ahhh!**

Baby! We won't go back to yesterday,  
    so please, please, please sashay away—  
You are giving us the blue-ue-ues.  
Maybe—we're gonna break the money chain,  
Then we won't have to feel the pain of another day  
    loaded down with a lotta bad news.  
Just watch this river become an ocean.  
    Listen, do you hear that mighty roar?  
Yeah baby, We'll keep resisting your evil notions—  
We have had it up to here, & we are saying not one more!  
**CHORUS**

## 12. WE WANNA TAKE (Miller)

Oh yeah, we'll tell you somethin'. We got you on the run.  
If you are an abuser, **we wanna take your gun!**  
Oh please, say to me, you had your background check.  
Cause when you fail your test—well, what do you expect?  
**We wanna take your gun!**  
And when you go off we feel sickened inside.  
You can't keep shooting random folks while they hide—  
    While they hide—While they hiiiiiiiiide!  
Oh yeah, we'll tell you somethin'. We got you on the run.  
If you are a felon, we wanna take your gun! **We wanna...**  
When we disarm you, we feel happy inside.  
If we prevent just one mass shooting, no one dies—  
    No one dies—No one diiiiies!  
Oh yeah, we'll tell you somethin'. We got you on the run.  
If you are prone to violence, **we wanna take your guuuuun!**  
**We wanna take your gu-u-u-u-un, We wanna take your gun!**  
**We wanna take your guh-uh-uh-uh-uh-un.**

## 13. VOTE 2020 (Madonna; Leydorf/Tjhung/McGinn)

It's worse than you can conceive. (Yeah, look around)  
You try...everything you can to escape...  
    the psycho traitor in chief (Hail to the thief)  
If you're fed up & you long to see something better for the USA.  
I know a place where you can have your say:  
    It's called a ballot box, & it really rocks, so—  
**CHORUS Come on, vote: Better health care & education!**  
**Hey, hey, hey! Come on, vote: Legal weed & illegal coal—**  
**you know we can do it.**

It makes no difference if you're black or white,  
    if you're a boy or a girl. (Or both!)  
Yeah, the Constitution guarantees you the right—  
You're a superstar, yes that's what you are, you know it!  
**CHORUS**

This baloney has a first name, it's T R U M P.  
This baloney has a second name, the racist G O P.  
They wreck the country every day:  
    We have to drive them all away.  
The Trump G O P, N R A,
