

23. NEXT PLANE TO MOSCOW *Monkees; Kidd/Leydorf*

Take the next plane to Moscow, you have sold out our great nation.

You can cry to daddy Vladdy, we have made your reservation, don't be slow. Oh, no, no, no! Oh, no, no, no!

You could travel with Melania, but she prob'ly wants divorce.

Stuff pirozhkis in your pie hole, trade your burgers for some borscht, you gotta go. Go, go, go, go! Go, go, go, go!

And believe us you are never coming home!

Take the next plane to Moscow, where you'll never build your tower,

We have scrutinized your Putin ties and...he don't need you... out of power. No! Oh, no, no, no! Oh, no, no, no!

Do-do-do-do-do-do-do-do-do. Do-do-do-do-do-do-do-do

Do-do-do-do-do-do-do-do-doooo! **REPEAT**

Take the next plane to Moscow for a permanent vacation

You can pack your wig and bronzer, we'll begin the fumigation, gotta go. Go, go, go, go! Go, go, go, go!

And believe us you are never coming home!

Take the next plane to Moscow (Goooooo!) **XZ**

24. FASCIST USA *'Yellow Submarine'; Miller/Leydorf*

In the land where we were born, we fought wars for equality

We defended human rights in the land of liberty

But the country took a turn, voted in...a crime machine

And we fell beneath the thumb of a fascist tangerine...

CHORUS We won't live in a fascist USA, a fascist USA, a fascist USA! **XZ**

Well the Nazis scream and shout, as they work to feed his greed

But the band begins to play... **KAZOO CHORUS**

We won't live a life of fear, though he's growing more obscene.

Skies are blue, while we resist... Screw the fascist tangerine.

CHORUS x2

25. PUPPET KING *'Dancing Queen'; Leydorf/Stein*

You can dance, you can ji-ive, tweeting out lie after lie...

Oo-oo-oo, see that fool, so obscene. Poor little puppet king

You keep sayin' you are so tough. Fightin' words all the fascists love.

Tariffs where there were treaties, stirrin' up the hate, will never make us great.

Anybody can see the truth. You're a traitor, we got the proof

Went to hell in Helsinki—such a sorry show.

You made it really clear... You obey Vladimir...

CHORUS You are the puppet king:

Dan-gle-ing from your Russian strings!

Puppet king: The KGB owns the GOP! Oh, yeah!

You can dance, you can ji-ive, tweeting out lie after lie...

Oo-oo-oo, see that fool, so obscene. Poor little puppet king!

Was it blackmail or bribery? Dirty money or maybe...pee?

Long as you go to prison—we don't really care.

Justice is getting near... Go cry to Vladimir... **CHORUS**

26. A.O.C. CHANT *Jackson Five; Leydorf*

AOC—takin' down DJT. Stand up to the GOP!

AOC—dancin' free, baby, you and me, girl! **XZ**

27. WE WILL STOP YOU *Queen; Leydorf/Stein*

Donny you're an ass—makin' big noise, tweetin' in the night, doin' nothin' but golf all day!

You got mud on your face, you big disgrace, spreadin' your lies all over the place! (Sing it!) **We will, we will stop you! XZ**

Donny you're a lyin' traitor, suckin' up to Russia, the Kochs & the NRA.

You got blood on your face, you big disgrace, spreading your hate all over the place. (Sing it!) **We will, we will stop you! XZ**

Donny, you're a sick man, lost man—Time is runnin' out, gonna send you to jail one day.

Just a dud and disgrace, a big nut case: Resisters gonna put you back into your place. (Sing it!) **We will, we will stop you! XZ**

28. WE WILL SURVIVE *Gloria Gaynor; Leydorf*

At first we were afraid, we were petrified,

by the sight of all those nasty Nazis by your side.

And we spent so many nights assuming you were such a clown, that you'd go down—but then the Kremlin came to town!

And you came back with Kislyak.

Today you're busy blowing Vladimir to thank him for the hack.

We should have changed the stupid vote and counted democratically.

Should have known that fools and traitors run the goddamn GOP!

CHORUS Go on now, go, you Russian whore!

Just turn around now, cuz you're not welcome anymore.

Aren't you the fool who tried to break the FBI?

Did you think we'd crumble? Did you think we'd lay down & die?

Oh no, gurl, bye! We will survive—

Oh, as long as we are stuck with you, the fight will stay alive.

And thru every turn and twist, we'll have the courage to resist

We'll survive! We will survive! Hey, hey! **DANCE BREAK**

You got all the cash you need from the NRA

and billionaires who paid to make their taxes go away.

But character is destiny—the story's ending here is plain:

Are you insane? Sent Giuliani to Ukraine?

With every week...you spring a leak—

Your cagey AG, Billy Barr, thinks you're the Czar, the frickin' freak.

Well if Mueller couldn't do it, Adam Schiff will seal your fate:

Yer gonna wish yer name was Nixon, you will pray for Watergate! **CHORUS**

1. NATIONAL ANTHEM *Leydorf*

O-oh, say, can you see, by the dawn's early light, Just how badly we failed? Don't you wish we were dreaming?

This malevolent fraud from the farthest far right Went to Russia for help with his treasonous scheming.

But the bigots don't care, or the bold billionaires— Their hatred and greed leave the world in despair.

Oh, say, does that star-spangled banner yet wave? O'er the land of the free? Or the home of the slave?

2. GOD, HELP AMERICA *Leydorf*

God, help America—what have you done?

Stand beside us & guide us thru the mess & distress you've begun.

With your bigots and your gun nuts, every greedy billionaire!

God, help America through this nightmare.

Come on, America, stand up to hate—

Don't divide us, unite us: You can't break us to make us more great

Tell the bigots and the gun nuts, every greedy billionaire!

Let's make America more free & fair! God, help America thru this nightmare.

3. AMERICA THE PITIFUL *Leydorf*

So pitiful, the NRA: A cult of guns and greed.

And Congress only blocks the way & watches while we bleed.

America! America! One hundred die each day

In suicide and homicide, and all we do is pray.

So pitiful, the KKK: Still marching in their sheets!

While Michael Brown & Freddie Gray get murdered in the streets!

America! America! You just can't get it right—

Why can't we see equality for black & brown & white?

So pitiful, the toxic Trump: You lie with every word.

You Russian tool, you stupid chump. Your cabinet is absurd!

America! America! It's just a TV show—

It's comedy and tragedy. How could we stoop so low?

4. OVER THERE *George M. Cohan; Leydorf*

Over there...over there... Send the word, Don the Turd's on a tear.

Giuliani's coming, Pompeo's coming, Bill Barr's got plumbing, so prepare.

Gotta clear...Vladimir... Won't you say the dossier was a smear?

They'll be over, they're coming over, and they won't be back till it's over over here.

5. BATTLE HIM FOR THE REPUBLIC *Leydorf*

Mine eyes have seen the story of the coming of the Trump. With a slew of lies he mobilized the moron and the chump.

The country drank the Kool-aid down and landed on its rump, But we are marching on. **Glory, glory hallelujah...**

He's the cherry on the sundae of the racist and the rich, So afraid to pay their taxes, they will scratch a fascist itch.

They believe he's Mussolini, but he's only Putin's bitch!

Now we are marching on. **Glory, glory...**

We will someday learn the lesson this catastrophe can teach We will say goodbye to liars and the hatred that they preach.

Yes we'll dance from coast to coast the day the Cheeto is impeached!

Till then, we're marching on! **Glory, glory...**

6. AMAZING DISGRACE *Leydorf*

Amazing disgrace, how sick the sight: Such hateful lunacy.

America must stand and fight to save democracy.

Disgraceful, how you wink and con, disgraceful, how you lie!

But justice always marches on: The truth can never die.

You're throwing children into jail—disgraceful, inhumane

Poor Lady Liberty is pale: She bows her head in shame.

You fascist fraud, you Russian tool, you kleptocratic clown—

You think you're God you filthy fool, but we will bring you down.

Amazing disgrace, it won't be long: Our independence day.

When we will right your every wrong and scrub your stench away

7. OVER THE RAINBOW *Judy; Leydorf*

Somewhere over the rainbow, love trumps hate.

Black lives matter to all, and Muslims can immigrate.

Somewhere over the rainbow, we rejoice—

Women get equal pay and make their own goddamn choice!

Somewhere there is no Cheeto Czar

and all the fascist fools are far behind me!

There's health care when you have an ache,

and Christians have to bake gay cake with Hot! Pink! Icing!

Oh, somewhere over the rainbow, kids run free—

They're not locked up in prison, ripped from their families...

But facts are not alternative: Let's bring the rainbow here & fight to live

8. IMPEACH HIM! *'Tradition!'; Stein/Leydorf*

Who, day and night, is working for the Russians,

and obstructing justice, breaking every law?

Yeah, Nancy is right, this business with Ukraine,

has got to be the final straw.

CHORUS Impeach him! Impeach him!...Impeach him!

Impeach him! Impeach him!...Impeach him!

Who told Zelensky, if you want our money, give it up for Rudy,

here's the quid pro quo:

Dish up some dirt and,

make it really juicy—

Gotta help me bury Joe!

CHORUS

SONGS
IN THE KEY OF
F*YOU

9. GOODBYE, DONNY *'Hello Dolly'; Leydorf*

Well, goodbye, Donny. No more lies, Donny.
We can't wait to send you back where you belong!
You're counterfeit, Donny. Full of shit, Donny.
Need more curses for these verses—you are worse than wrong.
And as for you, Congress. Too-da-loo, Congress.
You've been shifty and so grifty all this time.
You're out of work, Congress. Every last bought-off jerk, Congress.
Slither away into your sleazy slime.

Well so long, Donny. You were wrong, Donny.
We were great before your hatred came to town.
And Cheerio, Putin, time to go, Putin—
Though your kompromot was on the spot—he's going down.
Yes, go to hell, Donny. Rot in jail, Donny.
For your treason or your sleazin'—take your pick!
You're such a schmuck, Donny. Your ass is outta luck, Donny.
Donny the Con, you're worse than Tricky Dick.

BIG FINISH! **Golly gee, Donny!** This is democracy, Donny!
Donny we'll never go away! Promise you Don, we're here to stay!
Donny the Con, You're gonna pay, you prick.

10. BLOW WHISTLES *Snow White; Leydorf*

Blow whistles on the jerk! **WHISTLE**
Together we courageously can tidy up DC.
Let's put the law to work! **WHISTLE**
It won't take long when there's a song
to stop the GOP.

WHISTLE WHISTLE Good God, he blows! Let's
make him go, Blow whistles on the jerk!

11. MAR-A-LAGO! *'Oklahoma!'; Leydorf/Hertzog*

Mar—a-Lago! *Where the lies are thicker than the steak!*
And the weekend set will not say nyet, if there's any law you want to break!
Mar—a-Lago! It's the wet dream of the GOP:
All the racist rats and kleptocrats dip a toe into the rising sea!
But Putin is no nouveau riche, & he's got dopey Don on a leash!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago! Oy vey!
Mar—a-Lago! It's a temple to vulgarity:
Where the crooked class, can raise a glass to expanding inequality!
Mar—a-Lago! Where the mobsters pay each other off!
And they pass a stash of dirty cash, while they play another round of golf!
We know he belongs to old Vlad, cuz the cad is a tad like his dad!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago!
Mar-a-Lago! Yikes! Oy vey!

Mara-Lago! Mara-Lago! Marla Maples! Marla Maples!
Stormy Daniels! Omarosa!

We know that you signed an NDA, but we want you to talk anyway!
So when we say: WHOA! What did he do today? NO!
We're only sayin' stay there for good: Mar-a-Lago! Mar-a-Lago!
M.A.R.A.L.A.G.O. Marala—GO!

12. THE REIGN INSANE FALLS... *My Fair Lady; Leydorf*

The reign insane falls mainly cuz Ukraine! x2
By George, we've got it! He's finally bought it!
And where did Rudy hop a plane? **To Ukraine! To Ukraine!**
They tried to bribe again? **Ukraine! Ukraine!**
The reign insane falls mainly cuz Ukraine! x2

13. FAVORITE THINGS *Miller/Tjhung/Leydorf*

Building a wall between churches and congress
Making a choice between rightness & wrongness
Taking down tyrants who act like they're kings:
These are a few of our favorite things.
The right to gather and the 1st Amendment,
Choices I'd rather and thoughts independent,
Getting a lawyer when I'm in a fight:
These are a few of my favorite rights.
When the laws bend, when the feds cheat & I'm feeling mad,
I simply remember the Constitution & then I don't feel so bad.

Marching around when I'm angry with Congress,
Shouting them down to make them keep their promise,
Going to school, feeling safe day & night:
These are a few of my favorite rights.
When the news sucks, when the jerks win & I'm feeling mad,
I simply remember the Constitution & then I don't feel so bad.

Flynn and McFarland and Corsi and Cohen.
Manafort, Gates—and we're just getting goin'!
Pappawhatever & Sater & Stone: Jared & Junior weren't acting alone!
Then there's the NRA & Miss Butina.

Somebody Dutch I think came in betweena
turns out old Rudy tried bribing Ukraine!
Maybe you think it can't get more insane,
Is your tongue tied? Does your head spin? Are you feeling mad?
Don't have to remember quite all of their names
in Donny's big deal for Vlad!

14. THE TRUMP ADMIN *Addams Family; Steinberg/Leydorf*

CHORUS **Dadadadum Dump Trump! Dadadadum Dump Trump!**
Dadadadum, dadadadum, dadadadum, Dump Trump!
The Trump Administration, just might destroy the nation,
They prize the corporation, despise the common man.
The trouble is they're traitors, and double-plus dictators,
They huddle up with haters, and kuddle with the klan. **CHORUS**
Below the Mason-Dixon, they love their naughty Nixon,
They find the fool transfixin' — they swallow every lie.
The coal they're keen on mining, the kids they are confining,
If wages keep declining, don't blame the MAGA guy. **CHORUS**
You know we'd better wake up, ensure there is a shake-up,
The time is short to make up, we have to vote them out!
Dadadadum, Dump Trump!

15. END OF THE WORLD *Carpenters; Leydorf*

We're not sweating this catastrophe.
What's the difference, it's just 2 or 3 degrees?
Nothing flies in the sky, as the birds and bees all die.
We are sleeping as we slip beneath the seas.
Anything you want comes to your door.
You can fly around the world unless you're poor.
There's a sweet SUV for your growing family,
and the nightly news that you can all ignore.
We're at the end of the world, cooking all of creation
There's a mass extermination? We don't mind!
It's so stupid and cruel, but we love that fossil fuel—
Just keep dancing, it's the end of the world!

Somethin' in the breeze carries disease;
down in Borneo they're burning all the trees;
And the fish are all sick, cuz the plastic's so thick—
you remember how the North Pole used to freeze?
So we shop ourselves into a hell.
Throw our children's future in the fire sale.
It's a sick fantasy but it beats reality.
Just keep dancing, it's the end of the world...

We're at the end of the world, burning down all creation—
And the only explanation I can find,
We'll keep feeding our greed, while we watch the planet bleed—
Just keep dancing, it's the end of the world! x2

16. BALONEY *'Oscar Meyer'; Leydorf*

This baloney has a first name, it's T R U M P.
This baloney has a second name, the racist G O P.
They wreck the country every day: We have to drive them all away...
The Trump G O P, N R A, the Nazis and the K K K.

17. CAN'T BUY GREENLAND *Beatles; Leydorf*

Can't buy Greenla-and. Ma-an. Can't buy Greenla-and...
Go buy some election help from Vlad, or a brand-new Balkan bride.
You can have anything, comrade, if the price you pay is right.
But Denmark doesn't—want your money: Money can't buy Greenland!
You don't care 'bout the deficit, when there's property to steal.
You think you'll trick the Inuit, and the Danes to cut a deal—
But Denmark doesn't—want your money: Money can't buy Greenland!
Can't buy Greenla-and! Nasty lady told you so. Can't buy Greenla-and—No, no, no, no!
Maybe you sold the USA, for fees unspecified.
Other countries do not work that way, cuz they still have their pride.
Denmark doesn't—want your money: Money can't buy Greenland!
Can't buy Greenla-and! Nasty lady told you so. Can't buy Greenla-and—No, no, no, no!

Guess you believe in climate change: The ice is melting down.
Polar real estate is not so strange if New York is gonna drown.
But Denmark doesn't—want your money: Money can't buy Greenland!
Can't buy Greenla-and. Ma-an. Can't buy Greenla-and...no.

18. HE WORKS HARD *Donna Summer; Leydorf*

He works hard for the money, cold hard Russian money
And he don't think it's funny that we call him Moscow Mitch.

19. EVERYONE KNOWS IT'S RUDY *'Windy'; Leydorf*

Who's jumpin' out in front of a camera, spinnin' his lies & slingin' his shit?
Who breaks the law and says he's a hero? Everyone knows it's Rudy!
Who's goin' down on every dictator, smilin' at treason, handin' out bribes?
Who's reachin' out to steal an election? Everyone knows it's Rudy!
CHORUS But Rudy has squirmy eyes that bulge every time he lies
And Rudy, your lies don't fly about Ukraine
He can't explain. It's too insane. He'll burst a vein! **KAZOO CHORUS**
Who's gettin' desperate, lookin' real sweaty,
shitting a brick as justice gets near?
Who's headin' for a long prison sentence? Everyone knows it's Rudy!

20. UKRAINE *'Cocaine'; Leydorf*

If you thought it was bad, takin' orders from Vlad? Ukraine.
How he keeps breakin' laws, the Emoluments clause? Ukraine.
CHORUS **It's no lie. It's no lie. It's no lie—Ukraine**
Need some help in your fight? Rudy's hoppin' a flight. Ukraine.
If you want U.S. dough, gotta torpedo Joe. Ukraine. **CHORUS**
Nothin' you can do, Trump—all the rats gonna jump. Ukraine.
You can try to obstruct, but Donny boy, you are fucked. Ukraine.

CHORUS x2

21. IMPEACH THE MF NOW *'Say a Little Prayer'; Tjhung/Leydorf*

America, wake up, don't let the whole country break up—
Impeach the mother—er now
Attacks on us queer folk? Take women back 50 years? Nope. Impeach...
CHORUS **Not ever, no never, we never will stop—**
you know we'll fight you.
Forever and ever, until you depart—we're so done with you.
Together, together: that's how we will build a world
without you—We'll keep on resisting, you'll see...
Each day is more awful, each action he takes unlawful. Impeach...
Obstruction of justice is reason enough, yeah trust us: Impeach...
CHORUS x2

22. NO WALL CHANT *Floyd; Leydorf/Anonymous Signmaker*

We don't need no racist nation. We don't need no ICE patrols.
You're the only infestation. Trumpie! leave them kids alone!
All in all, you're just another prick with no wall. x2
