

1. BATTLE HIM

Mine eyes have seen the story
of the coming of the Trump.
With a slew of lies he mobilized
the moron & the chump.
The country drank the Kool-aid down
and landed on its rump—

But we are marching on. Glory, glory hallelujah...

He's the cherry on the sundae
of the racist & the rich,
So afraid to pay their taxes,
they will scratch a fascist itch.
They believe he's Mussolini,
but he's only Putin's bitch!

So we are marching on. Glory, glory hallelujah...

For his thievery in Kyiv the House
impeached the lying lout.
Jan-u-ary Six he pulled his tricks
and threw a rowdy rout.
Now MAGA's back—so it's our task
to throw the scoundrel out!

Till then, we're marching on!

Glory, glory hallelujah...

When his tariffs wreck the markets
and the country starts to fail,
He will hatch a plan to bomb Iran,
throw protesters in jail.
He's gotta go, Guantanamo's
too good—he'll go to hell!

Till then, we're marching on!

Glory, glory hallelujah...

2. AMERICA THE PITIFUL

So pitiful, the GOP: Afraid to pay their share.
The poor and needy they don't see
can starve, they do not care!
America! America! Your billionaires are blind,
Poor Washington and Madison
would lose their goddamn mind.

So pitiful, the way they fear that evil DEI.
Latino, woman, black or queer—
they'd rather see you die!
America! America! Where white boys rig the game.
Four centuries of this disease—
it's such a sorry shame.

So pitiful, proud boys of ICE:
Your mask is your white sheet.
Your boss has given the OK
to murder in the street!
America! America!
We're all under attack:
They pepper-spray
our rights away
and shoot us in the back.

So pitiful, the toxic Trump:
Where fascists get their fix.
He mobilized his MAGA mob
on January six!
America! America!
It's just a TV show—
It's comedy & tragedy
How could
we stoop
so low?

3. GOD, HELP AMERICA

God, help America—what have you done?
Stand beside us and guide us
thru the mess and distress you've begun.
With your bigots and your gun nuts,
every greedy billionaire!

God, help America through this nightmare.

God, help America—land of the free—
Shout it loudly and proudly—
though the Don and Elon disagree.
The corruption and destruction is astounding—
don't despair!

God, help America through this nightmare.

Come on, America, stand up to hate.
Don't divide us, unite us:
You can't break us to make us more great.
Tell the bigots and the gun nuts,
every greedy billionaire!

Let's make America more free & fair!

God, help America ... thru this ... night ... mare!

4. EPSTEIN & EPSTEIN

Epstein & Epstein & Epstein & Epstein.
Epstein & Epstein & Epstein & Epstein.
Epstein & Oh! Epstein—
Epstein-Epstein...
Epstein & Epstein & Epstein-Epstein!!!
Epstein-Epstein! Epstein-Epstein!
Epstein-Epstein, oh!
Yes—Epstein & Epstein &
Epstein-Epstein!
Epstein & Epstein—Epstein!!!!

5. AMAZING DISGRACE

Amazing disgrace, how sick the sight:

Such hateful lunacy.

America must stand and fight to save democracy.

From rape to felony to fraud, to January six—

The MAGA millions think you're god.

They fall for all your tricks

Disgraceful, how you wink & con,

disgraceful, how you lie!

But justice always marches on: The truth can never die.

You're throwing students into jail—

disgraceful, inhumane.

Poor Lady Liberty is pale: She bows her head in shame.

Amazing disgrace, it won't be long:

Our independence day.

When we will right your every wrong

and scrub the stench away.

6. MY COUNTRY TIS OF THEE

My country, 'tis of thee, where there's no liberty,
of thee I sing.

If you are trans or queer; black, brown, or not from here;
He wants us all to flee in fear, the-e cuckoo king.

Our country, land of Trump, with his enormous
rump, dumber than dumb.

Such a demented fuck; policies built to suck;
Assho-ole, you are out of luck—ou-ur day will come.

We love our country more, find you an awful bore,
just disappear.

Pack up your gold, you git; it's time for you to split;
So lo-ong, yo-ou sorry shit—yo-ur end is near.

7. FAITH

Well I think it would be nice,
if we could ditch you, Donny—
Maybe commit you, Donny,
cuz you gotta loose screw-ew-ew.
No! You never think twice:
This is not constitutional—

Cuz you are sick, delusional—a juvenile cuckoo.
You better serve hard time for this whole disaster—
You have got a lot to answer for!
The world you're tearing down—
will come back faster—
Once we try you as a traitor, send you to El Salvador!

CHORUS **Yeah, we gotta have faith.**

We gotta have fai-aith.

Oh yeah—we gotta have faith-a faith-a faith.

We gotta have faith-a faith-a faith-ahhh!

Baby! You know we didn't come to play,
so please, please, please sashay away
You are giving us the blue-ue-ues.
Maybe—this will upset the MAGA men,
We want democracy again not another day
loaded down with a lotta bad news.
Just watch this river become an ocean.
Listen, do you hear that mighty roar?
Yeah baby, we'll keep resisting your evil notions—
We have had it up to here
and we are saying not one more! **CHORUS**

8. GOODBYE, DONNY (Hello Dolly)

Well, goodbye, Donny. No more lies, Donny.
We can't wait to send you back where you belong!
You're counterfeit, Donny. Full of shit, Donny.
Need more curses for these verses—
you are worse than wrong.
The GOP Senate and the creeps in it:
Nauseating, calculating every crime.
Well...pack it in, Mikey. Cue up the violin, Mikey.
Follow your MAGA Man into the slime!

Well so long, Donny. You were wrong, Donny,
We were great before your hatred came to town!
And Cheerio, Putin, time to go, Putin—
Tho your kompromot was on the spot he's going down.
Yes, go to hell, Donny. Rot in jail, Donny,
For your treason or your sleazin'—take your pick!
You're...such a schmuck, Donny.
Your ass is outta luck, Donny.

Donny the Con, you're worse than Tricky Dick.

BIG FINISH! **Golly gee, Donny!**

This is democracy, Donny!

Donny we'll never go away!

Promise you, Don, we're here to stay!

Donny the Con, you're gonna pay, you prick!

9. BE ANTIFA (Dr. Pepper)

I march in every protest, and I'm proud.

I never feel alone in that crowd.

And when I look around these days,

There seems to be a real Antifa craze!

CHORUS **I'm Antifa, he's Antifa, she's Antifa, they're**

Antifa—Wouldn't you like to be Antifa, too?

I'm Antifa, he's Antifa, she's Antifa, they're Antifa—

You love freedom? You're Antifa, too!

Antifa are an interesting breed:

Some buttons and signs are all we need.

Ask any Antifa, they will say:

"Time to make the fascists go away!"

CHORUS **Be Antifa! March with Antifa! Come on! x4**

10. OVER THE RAINBOW

Somewhere over the rainbow,

love trumps hate.

Black lives matter to all, & people can immigrate.

Somewhere over the rainbow, we rejoice—

Women get equal pay

and make their own goddamn choice!

Somewhere there is no Cheeto Czar

and all the fascist fools are far behind me!

There's health care when you have an ache,

And Christians have to bake. Gay. Cake.

With Hot! Pink! Icing!

Somewhere over the rainbow, we're all free—

Folks aren't grabbed off the sidewalk,

ripped from their family.

But facts are not alternative...

Let's bring the rainbow here and fight... to... live
